Wonderful Experience!

If there is anything that sets David Weekley apart from other builders it is their customer service. I felt like a member of the family from the first time I walked into the model, to when I received my keys and saw the wonderful housewarming presents that were left for me, up to the present when I see my salesman in the neighborhood. I felt like they really took the time to understand what I was looking for and then came through with my dream home. I would highly recommend David Weekley to anyone looking to buy and/or build a home.

Greatly exceeded every expectation! A+++!

The entire experience was excellent from the first day I showed up to look at houses. The whole team came together to provide a truly quality house that I will be living in for years to come. Kajal helped me purchase the house and coordinated all meetings. She was very cheerful and professional at all times and I could tell that she cared about her clients and my family. Jeff and Robbie were builders that always went the extra mile to ensure total customer satisfaction. Jeff was very helpful and I am grateful to his management and know that I will be moving in to a house that is built right with a great attention to detail... Ashley also provided Kajal with assistance whenever Kajal was not available. I could not be happier with everyone involved in building this house. David Weekley is a great company and I would enthusiastically recommend them to others needing a quality house built in the future. Thank you for such a great experience and I hope that this company continues to grow.
